Online Application

Welcome to DC's e-Submission Website. Using this Website you can submit a request for Building Plats or apply for a Certificate of Occupancy Permit and pay the required fees. In the future you will be able to submit and track permit applications from this Website.

Please "Allow Pop-ups from This Site" before proceeding. You must accept the General Disclaimer below before beginning your application.

- If you have any questions or need help with requesting Building Plats online, please contact Office of Surveyor at (202) 442-4566
For basic information about Surveyor Services, please visit: [Surveyor Services](#)
- If you have any questions or need help with online Vacant or Blighted Registration process, please contact Vacant Building Enforcement Unit (VBE) at (202) 442-4400
For basic information about Vacant Services, please visit: [Vacant Building Services & Registration](#)
- If you have any questions about the Certificate of Occupancy application, please contact Office of Zoning Administrator at (202) 442-4576
For basic information about Certificate of Occupancy process, please visit: [Certificate of Occupancy](#)

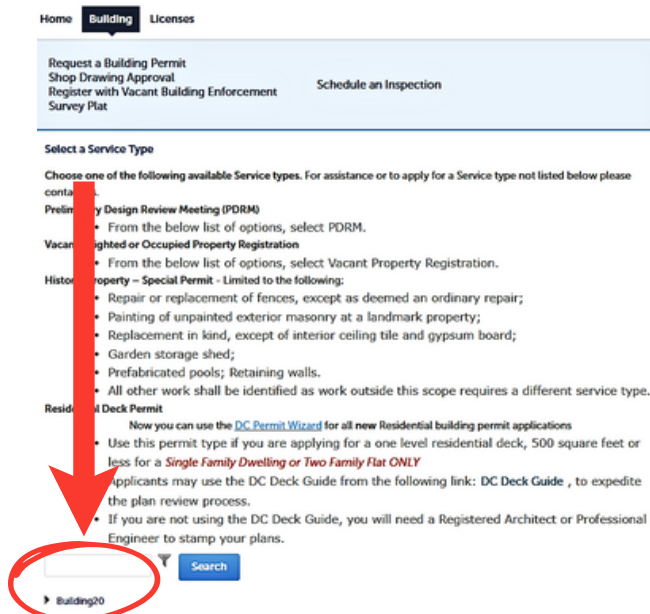

Please note that only "Ownership Change" Certificate of Occupancy applications are accepted online at this time.

General Disclaimer

Select a Service Type

Choose one of the following available Service types. For assistance or to apply for a Service type not listed below please contact the Office of Surveyor at (202) 442-4566

Preliminary Design Review Meeting (PDRM)

- From the below list of options, select PDRM.

Vacant, Blighted or Occupied Property Registration

- From the below list of options, select Vacant Property Registration.

Historic Property - Special Permit - Limited to the following:

- Repair or replacement of fences, except as deemed an ordinary repair;
- Painting of unpainted exterior masonry at a landmark property;
- Replacement in kind, except of interior ceiling tile and gypsum board;
- Garden storage shed;
- Prefabricated pools; Retaining walls.

All other work shall be identified as work outside this scope requires a different service type.

Residential Deck Permit

Now you can use the [DC Permit Wizard](#) for all new Residential building permit applications

- Use this permit type if you are applying for a one level residential deck, 500 square feet or less for a **Single Family Dwelling or Two Family Flat ONLY**

Applicants may use the DC Deck Guide from the following link: [DC Deck Guide](#), to expedite the plan review process.

- If you are not using the DC Deck Guide, you will need a Registered Architect or Professional Engineer to stamp your plans.

Fireworks Stand Permit

1 Step 1 2 Step 2 3 Step 3 4 Step 4 5 Review 6 7

Step 1: Step 1 > Notice

* indicates a required field.

Custom Fields

SEASONAL NOTICE

* I Acknowledge that this is a seasonal Permit and may only be applied for between May 24th and July 5th.: ☐

Save and resume later

Continue Application »

Documents required for upload:

- **Stand Schematics:** Must display the temporary structure dimensions and have stand framing size, connection details, and anchoring.
- **Surveyor Plat:** Showing the location of the stand on the property.

Get a Certificate of Occupancy

Once a permit application is complete, applicants are required to apply for a Certificate of Occupancy (COO) by using the **Certifi Platform**. See next page for details.

Apply for Certificate of Occupancy Through Certifi

Log in or create a new account and refer to the steps below.

Step 1: Apply under the ownership permit type at step #3 of the application, please select:

- ☐ No Valid Certificate of Occupancy
- ☐ Temporary/Seasonal

Step 2: Follow the prompts until you reach step #6 (Document Upload).

Documents required for upload:

- **Letter from the owner** granting permission to use Location (on letterhead).
- **Copy of the building permit.**

Visit our eRecords system to locate prior permit documents. For questions, please contact Records Management at dob@dc.gov.

APPLY FOR CERTIFICATE OF OCCUPANCY

PROPERTY INFO

EXISTING COFO

Indicate whether you have an existing Certificate of Occupancy (CoFo).

① Select **'There is no valid Certificate of Occupancy'** if you are doing a Temporary/Seasonal, New Construction/Establishment, new tenant buildout, or major renovation of an existing space/building that may have been previously occupied.

Select **'There is a valid Certificate of Occupancy'** only if you are doing a change/revision such as a change of owner, of existing use or of existing load.

- ☐ There is a valid Certificate of Occupancy issued after Sept 2008
- ☐ There is a valid Certificate of Occupancy issued before Sept 2008
- ☒ There is no valid Certificate of Occupancy

SELECT ONE OPTION

Select one of the following options.

<input type="radio"/> ESTABLISHMENT No previous building or structure or new tenant, buildout of floor, unrecognized space that was never documented. If seeking a Core and Shell and Conditional CoFo, you must complete two separate CoFo applications beginning with the Core and shell application first. When you apply for the Conditional, you will be asked to provide the Core and Shell number.	<input checked="" type="radio"/> TEMPORARY/ SEASONAL The use or occupancy of a space is temporary and for a limited period of time to not exceed (12) twelve months (for example Farmer's Market, Christmas Tree Stand, Ice Skating Rink, etc.).	<input type="radio"/> TWO-FAMILY FLAT An existing flat (two dwelling units) without a previous certificate of occupancy and no new construction only. By choosing this TWO-FAMILY FLAT option the review time is extended due to the lack of permits. If the structure was converted to a two-family flat (two dwelling units) with a building permit, apply for a certificate of occupancy using the NEW CONSTRUCTION/ ESTABLISHMENT option.
