## Plan Review Information

In accordance with Chapter 30, Code of Ordinances, section 30 – 75, plan review fees shall be paid in accordance with the fee schedule contained in subsection (b).

For the purpose of determining the permit fees and all other fees required to be paid by a person operating a Food Establishment as defined by section 1-201(10)(B)(31) of the Kansas City Food Code, the following definitions shall be used for “Market Type Establishment” and “Restaurant Type Establishment” to determine the Food Establishment’s fees.

**“Market Type Establishment”** means any place or section of a place where food and food products are offered to the customer and intended for off-premise consumption. The term includes delicatessens that offer prepared food in bulk quantities only. The term does not include establishments which handle only prepackage, non-potentially hazardous foods; roadside markets that offer only fresh fruits and fresh vegetables for sale; restaurant type establishments or food and beverage vending machines.

**“Restaurant Type Establishment”** means any place or section of a place where food is prepared and intended for individual portion service, and includes the site at which individual portions are provided. The term includes any such place regardless of whether consumption is on or off the premises and regardless of whether there is a charge for the food. The term includes delicatessens that offer prepared food in individual service portions. The term does not include private home where food is prepared or served for individual family consumption, market type establishments, the location of vending machines, and supply vehicles.
