11080 White Rock Road, Suite 200, Rancho Cordova, CA 95670

Learn about the new requirements for Compact Mobile Food Operations by attending this meeting hosted by Sacramento County Environmental Management Department.

Senate Bill 972 – New Sidewalk Food Vending Law

On September 23, 2022, Governor Newsom signed senate bill 972, a bill that modifies the California Retail Food Code (CRFC) to allow some sidewalk food vending operations to obtain public health permits. The law is effective on January 1, 2023.

This new law changes the CRFC by creating a new class of mobile food facilities titled Compact Mobile Food Operations and is defined as a mobile food facility that operates from an individual or from a push cart, stand, display, pedal-driven cart, wagon, showcase, rack or other nonmotorized conveyance.

Space is limited. To reserve a spot or for more information, please contact Sonia Andrusiak at 916-508-0590 or email leesonia@saccounty.gov.
