

# STREET EATS ATLANTA

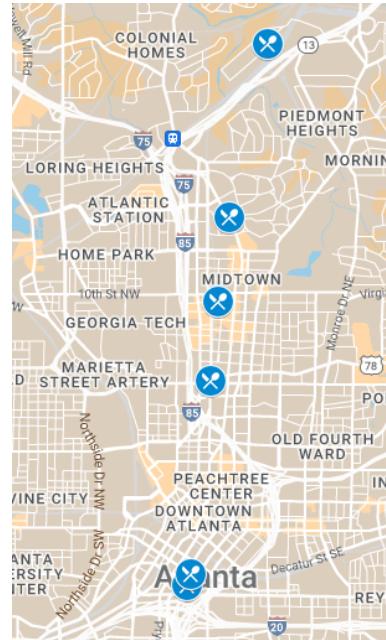

The new Street Eats Atlanta program provides opportunities for food truck entrepreneurs to operate in multiple designated locations throughout the city. These locations are within existing on-street parking areas.

## HOW DO I PARTICIPATE?

Operating a food truck from these locations requires a City of Atlanta public vending food truck permit. The permit process can be done online and the total fees are under \$500. Once issued a permit, you may operate from any designated Street Eats Atlanta food truck location.

## WHERE ARE THE CURRENT DESIGNATED LOCATIONS?

- [Armour Yards](#)
- [Atlanta City Hall – Mitchell Street](#)
- [Atlanta City Hall – Trinity Avenue](#)
- [Peachtree St. and 17th St. \(in front of MODA and across the street from the High Museum\)](#)
- [Peachtree Pl, between Cypress St. and W. Peachtree St. \(across from the Midtown MARTA station\)](#)
- [W. Peachtree St. and North Ave. \(in front of the North Ave. MARTA station, across from All Saints' Church\)](#)

## HOW DO I BOOK A LOCATION?

After you are issued public vending food truck permit, you are required to register with [streetfoodfinder.com](#) and reserve a location for specific date(s) and meal slot(s) in advance of operations. Each designated location has separate days and times during which food trucks may operate. More locations and expanded times at the current locations will be added if needed.

TO APPLY FOR A PERMIT AND LEARN MORE ABOUT THE PROGRAM, VISIT [ATLANTAGA.GOV/VENDING](http://ATLANTAGA.GOV/VENDING)
